Dear Mrs. Handy:

Thank you for your letter of October 8, 1959, indicating your interest in operating a shop on the Government property when the Central Intelligence Agency moves into its new headquarters building at Langley, Virginia.

Our present building plans do not provide space for the operation of private enterprise in the building and we have not yet concluded whether it will be feasible to provide these facilities elsewhere on the property. We have placed your letter in our files for future reference in the event that it becomes possible to accommodate private enterprise somewhere on the premises.

Your interest in this matter is very much appreciated.

Sincerely,

Signed

L. K. White  
Deputy Director
